

CHAIRMANS REPORT 2022

We as the School Advisory committee would like to thank Russell and Nicolle and all the staff for everything they have done for our children this year. It has been a pleasure working alongside you all.

This year we have been in discussions and have been implementing the ongoing Maintenance program for the school, including the front of school works which now looks amazing. Thank you to Andy for all your hard work and efforts in everything you do around the school.

As a group we are working at increasing our enrolments, and with a large year 6 class leaving at the end of the year, our projections are still looking great for 2023.

One of our main focuses as an Advisory committee is to oversee the financials of the school and keep to our budget that is set each year. We have worked well with Russell to keep to the budget and are currently working to finalize next year's budget over the coming weeks.

I would like to thank my fellow Advisory Council members for all their efforts this year. Jamie Drysdale for your contributions earlier this year. Iwo, Jonika and Jenni for your ongoing support. Sharna for not only coming to our meetings but attending the P&F meetings and being a great liaison between both. Gail Warren and Father Mat, thank you for the time and effort you put into the Parish Council committee and the support you bring to the Advisory Council. Janelle our Treasurer, thank you for always making the numbers work and having a detailed report each month. And finally Kim Maguire, our Secretary, who has finished her time on the Council. Thank you for everything..... especially your proficiency but mainly commitment and dedication over the past 4 years. Kim has been an active Tommy More volunteer and Parent for 21 years.....You will be sorely missed!

Thank you again to Russell and Nicolle for your leadership and making our school a wonderful place for our children.

I look forward to working alongside you and the Advisory Council again next year.

Thank you,

Joel Lawrance
