

ALTAR SERVERS

Dear Parents,

Once your child has received the Sacrament of First Holy Communion, they have the privilege of training to become an Altar Server and serving at Mass.

If your child is interested in training to become an Altar Server and serving at School and Weekend Masses, please fill in the slip below and return to your child's teacher.

Training will begin in the coming weeks. We will contact you with further information regarding the training once your form has been returned.

We strongly encourage children to take part in this program.

Thank you
