STUDENT BULLYING AND HARRASSMENT PROCEDURES

Source of Authority – Executive Directive – Students Safety, Wellbeing and Behaviour

RATIONALE

Our Vision statement challenges us to create a learning community based on Christian values and to recognise the innate dignity and worth of each individual.

Each person at St Thomas More Catholic Primary School has the right to learn and work in an environment free from harassment and bullying and it is the responsibility of each of us to make sure that this happens.

Therefore, we do not tolerate bullying or harassment in any form.

All members of our community are expected to be committed to ensuring there is a safe and supportive environment, which promotes personal growth and fosters positive self-esteem for each individual person.

We aim to maintain a setting in which all feel valued and respected and where individual differences are appreciated, understood and accepted.

This procedure is to be used in conjunction with the school's Positive Behaviour Management Procedures.

PRINCIPLES

The objectives of our whole school bullying policy are:

- To raise awareness amongst staff, students and parents about bullying;
- To actively counter bullying in our school;
- To provide strategies to resolve conflict and respecting differences;
- To create a school environment where all students, staff and parents feel safe and welcome;
- To create a climate where it is okay to talk about bullying and ask for help; and
- To promote positive mental health.

DEFINITIONS

Bullying is:

- A repeated and unjustifiable behaviour;
- Intended to cause fear, distress and /or harm to another;
- May be physical, verbal, social, psychological or indirect/relational;
- Involves the misuse of power by an individual or group;
- Against a less powerful individual or group who is unable to effectively resist;

Types of Bullying:

	DIRECT	INDIRECT
Physical	<ul style="list-style-type: none">• Hitting, slapping, punching• Kicking• Pushing, strangling• Spitting, biting• Pinching, scratching• Throwing things eg stones	<ul style="list-style-type: none">• Getting another person to harm someone
Non-Physical	<ul style="list-style-type: none">• Mean and hurtful name-calling• Hurtful teasing• Demanding money or possessions• Forcing another to do homework or steal	<ul style="list-style-type: none">• Spreading lies or nasty rumours• Trying to get other students to not like someone
Non- Verbal	<ul style="list-style-type: none">• Threatening and /or obscene gestures• Exclusion• Sending nasty notes• Giving 'dirty looks'• Stalking• SMS texting• Emailing or using Social Media to cyberbully	<ul style="list-style-type: none">• Deliberate exclusion from a group or activity• Removing and hiding and /or damaging others' belongings

Students who are seen to be 'bystanders' (those who are witnessing the bullying and not doing anything about it) or 'supporters' (those who are supporting the bullying, either by helping the person to bully or by encouraging the bullying) will also be held to account for their lack of action to assist positively in the situation or their lack of action in stopping the situation – through intervention or getting adult assistance. Students who remain as observers and bystanders while an act of bullying takes place, become part of the process of bullying by their presence and non-action.

Harassment:

Harassment is any unwanted, unwelcome, or uninvited behaviour, which makes a person feel humiliated or offended. Harassment can be seen as one form of bullying and the terms are often used interchangeably.

PROCEDURES

Management of Bullying Incidents

Bullying is totally against the mission and purpose of St Thomas More Catholic Primary School.

We are committed to providing an educational environment in which students feel valued and secure. To achieve this, we seek to create a school-wide culture that:

- Allows students to flourish free from discrimination, harassment or any form of bullying.
- Does not tolerate, condone or trivialise bullying behaviours.
- Is aware of what constitutes bullying behaviour.
- Provides support to the victims of bullying.
- Deals firmly with bullies so that they stop their bullying.

At St Thomas More Catholic Primary School, bullying incidents are managed using a **Shared Concern** approach, which aims to change the behaviour of the student(s) involved and to improve the situation of the student(s) being bullied. In the first instance, students are encouraged and assisted to use the **'Cool Kids Work It Out'** approach which is outlined in our Positive Behaviour Management Procedures.

The strategies aim to be non-punitive, non-blaming and non-aggressive approaches to assisting individual or groups in dealing with others in a more positive way, particularly through discussion of the incidents.

Clearly defined steps are used to reach a point where the student who has been bullying can see the effect their behaviour is having on others and undertakes a process to change this behaviour. The student who has been bullied is also provided with opportunities to discuss the incident and consider ways they might be able to improve their own situation.

The effectiveness of the strategies used rests with ALL members of the St Thomas More community.

The key points of the method of shared concern

- Those involved in a bullying situation are seen individually.
- The facilitator shares his or her concern for what is happening with the student being bullied.
- The facilitator invites and supports the student(s) who are bullying to take responsibility and suggest actions to remedy the situation.
- Developments are carefully monitored over time.

The method of managing bullying incidents is based on the following principles:

- Changing the social dynamics that maintain bullying will prevent further bullying;
- A shift in behaviour can be promoted by encouraging empathy and concern for others;
- Harsh punitive measures model and reinforce the use of power to meet needs and wants and put bullied children at risk of revenge;
- When dealing with a report of bullying each teacher will ensure that they:
 - are 'available' and actively listen;
 - treat the reported information seriously;
 - ensure follow-up by informing a member of the Behaviour Management Team;
- The teacher and/or the Behaviour Management Team will support students who raise a concern in regard to bullying to finding out the facts of the incident. As outlined above this will involve meeting with those concerned using a shared concern approach to address the issue.
- Parents or caregivers will be contacted at an early stage and where appropriate referral will be made to the School Chaplain to develop positive strategies to overcome bullying.

- The type of sanction imposed on those found to be bullying will depend on the seriousness of the situation.
- Incidents of bullying need to be recorded in SEQTA – Pastoral Care

RIGHTS AND RESPONSIBILITIES
